Summer 2013

Not One, But Two!

Yes, you read that correctly. Not only are we holding our annual Banquet on November 8, 2013 at Lenape Heights Grand Ballroom, but we will ALSO be celebrating the opening of our Indiana Clinic with a Banquet on November 7, 2013 at the Indiana Country Club.

The excitement doesn't stop there. We are doubly excited to have Carol Everett as our guest speaker at BOTH events.

Carol is a unique "at such a time as this" speaker, because she comes with an overwhelming amount of experience in the area of abortion. Carol knows firsthand about abortion, having been both a consumer and provider. Carol was involved in the operation of four abortion clinics in Texas from 1977 to 1983, overseeing 35,000 abortions. Carol experienced a change in her life when she came to know Jesus Christ as her personal Savior. Today, she is committed to safeguarding the health of women and their babies all over this nation.

Come join the EXCITEMENT, hear Carol's AMAZING story, and learn more about Life Choices' LIFE SAVING efforts in your community on Thursday, November 7 in Indiana or Friday, November 8 in Ford City.

For more information on both Banquets, to make a reservation, or to become a table host, please call 724-545-2826 or visit our website at www.yourlifechoicesinfo.com.

You won't want to miss a minute of the excitement!

Butler Banquet, Huge Success

The first Butler Fundraising Banquet was a huge success for LIFE. Over 250 guests attended the May 16th Banquet at the Atrium to hear pro-life speaker and former abortion worker, Carol Everett inspire us with God's message of LIFE.

Together, over \$71,000 was raised to help Life Choices continue to touch lives in Butler County. Because of the generosity of those in attendance, we will be able to continue what we do best — SAVE LIVES!

Welcome Baby Keely Mae

Our dear client, Glenna Smith, who you may remember from the Butler Banquet, gave birth to Keely, who weighed in at 6 pounds, 2 ounces and presented herself on July 1, a whopping six weeks earlier than

anticipated! Keely is over and over a little miracle from God. Good job, Glenna! Keely is perfect and we wanted to share her lovely little face with you, our incredible supporters. You may remember that we had two clients join us the evening of the Butler Banquet – Michelle and Glenna. Michelle is still awaiting her little bundle of joy who is due in August. Prayers for all are welcomed!

A Few Good Men (and Women)

You know how a song gets stuck in your head? I found myself singing a line from an old song called “A Few Good Men” the other day. The more I thought about that song, the more it seemed to apply to our teenCARE program here at Life Choices.

We need a few good men and women to become teenCARE presenters and spread God’s message of sexual purity to our area young people, not just in Armstrong County but into Butler and Indiana counties as well.

The song lyrics provide a good description of the kind of people we need to help us.

“What this dying (sinful) world (full of sexual perversity) could use is a willing man (or woman) of God. Who dares to go against the grain (sex-promoting culture) and works without applause (presenters don’t become wealthy or famous); A man (or woman) who’ll raise the shield of faith, protecting what is pure (our youth’s sexuality); Whose love is tough and gentle; a man whose word is sure (our programs are founded on God’s Word).

God doesn’t need an orator who knows what just to say (we train you); He doesn’t need authorities to reason him away (we’re blessed when our schools invite us in); He doesn’t need an army to guarantee a win (it only takes one person to make a difference); He just needs a few good men (and women).

Men (and women) full of compassion (and a passion to teach teens) who laugh and love and cry; Men who’ll face eternity and aren’t afraid to die (committed believers in Christ); Men who’ll fight for freedom (from the negative consequences of premarital sex) and honor (sexual purity) once again; He just needs a few good men (like you?).

He calls the broken derelict whose life has been renewed (maybe you understand personally the brokenness of sexual activity before marriage); He calls the one who has the strength to stand up for the truth (you’re committed to the abstinence message). Enlistment lines are open (call us at 724-545-2826) and he wants you to come in (join the fight); He (and teenCARE) just needs a few good men.”

Are you being called to enlist in our “army” of dedicated workers who love teens and want to help them make positive, healthy, and godly decisions about sex? Call or email Cindy at 724-545-2826 or Cindy@yourlifechoicesinfo.com. Find out more about our programs at www.justwant2know.com.

“We’ve Done It!”

As surreal as it sounds, Life Choices has successfully opened THREE medical clinics in just THREE years! First came our Kittanning clinic in March of 2011:

Then came Butler in June of 2012:

And this May of 2013 we opened My Choice Medical Clinic in Indiana!

If you’ve been a longtime supporter of Life Choices you know what a huge accomplishment this is.

But now what? Now we plant our roots. Now we spend every minute making sure all women facing an unplanned pregnancy in Butler, Armstrong, and Indiana counties hear about our clinics. Now we raise funds to ensure that we will be here for years to come. Our vision is that every unborn child in our communities has a voice, and through these clinics and the power of ultrasound technology, we will help them speak!

Today in our country, pro-lifers are speaking up louder than ever before. The latest Gallup poll shows 51% of Americans believe they are pro-life! Pregnancy centers out number abortion clinics 4:1! And now, western PA as three more pro-life pregnancy medical clinics that are seeing children saved and women redeemed! Thank YOU for making this a reality. Please continue to pray for us as we grow and develop. You can follow us on Facebook and Twitter to see our latest accomplishments or check out our website at www.yourlifechoicesinfo.com.

Come see the new Indiana My Choice Medical Clinic at our Open House on August 15th, from 5-7 p.m. Enjoy some refreshments while we celebrate what God is going to do in Indiana for the unborn! The new clinic is located at 1205 Maple St, Suite A, Indiana, PA 15701.
